

Memorial Tribute to *Dorothy Wingfield Ewing Ferrell*

November 20, 2024

Presented by Susan Ewing and Christina Ferrell

Dorothy could do it all. Anything she tackled was something in which she managed every detail beautifully.

Before her membership in Tuckahoe Garden Club, Dorothy owned a garden and flower shop in Goochland.

She was an active, talented, and energetic member of the Garden Club, serving on committees for Flower Shows, the Christmas Sale, Kent Valentine House flowers, Hospitality and she was the winner of the Elizabeth Wingo Knowles award in 2015. Cynthia described how grateful she was that she and Dorothy shared a love of gardening which eventually led to Cynthia joining the Club. Dorothy was an expert judge and her flower arrangements were almost always perfect. She was able to make simple pansies at Thanksgiving or daffodils at Easter quite sophisticated.

At her service, Dorothy's son Will noted that her husband Billy has been unsupervised in heaven for ten years. Dorothy is now cleaning things up a bit in her lovely and loving way.

She will be missed by many of us.

Love to dear Dorothy.
