I presented the budget at the March meeting and we will vote on it in May, as well as the proposed gifts. There were no questions at the meeting.

I opened a CD at BofA for \$10,000 of our savings money earning 4% for 13 months. This is our “earmarked” cushion and we have no plans to spend it.

We are working with the Spring Sale team to plan for the financial side of the sale. Karen Berson will work with me that day as Rita is out of town.

Continue to pay reimbursements for expenses incurred by members as needed.
