Please describe below or attach another page with additional information as to why you believe this candidate would be a good member of our club (suggested limit, 250 words).

It is our pleasure to propose Berkeley Robins McQuiddy for membership in Tuckahoe Garden Club. Berkeley is the daughter of beloved member Joanie Robins for whom the club renamed our President's Award in 2025. Berkeley and Scott have two children, Nelson age 4 and Carter age 2. Although trained as a speech pathologist, Berkeley is currently a stay-at-home Mom. She has been a participant in our Flower Hour since its inception. She caught the gardening 'bug' from both parents and wants to learn more about home gardening, landscape maintenance, and horticulture. She is also extremely interested in developing her flower arranging skills.

We have spoken with Berkeley about the demands and responsibilities of membership in Tuckahoe Garden Club. Her participation in Flower Hour has reinforced her desire to join. She feels that she is ready and has both the time and help at home needed to be a productive member of the club. She is always gracious, easy to be around and fun! She is excited about the opportunity to continue Joanie's legacy in TGC.
