Please describe below or attach another page with additional information as to why you believe this candidate would be a good member of our club (suggested limit, 250 words).

Peanut, originally from Ohio, has lived in Richmond for 15 years. She is the daughter in law of our longtime member, Anne Kempe. She knows and gets along well with Anne's friends and enjoys socializing with all ages. We think she is a great fit for Tuckahoe Garden Club.

Peanut runs her own business, Three Sisters Cheese Straws, and has a wonderful business acumen. The flexibility in her work schedule will allow her to be active in all garden club activities.

Peanut has a real interest in joining now and said that her interest was cultivated by her participation in Flower Hour. She loved learning about planting containers, herbs, conservation and composting. She now enjoys arranging flowers in her own home because of her exposure from Flower Hour. She loves spending time outdoors and wants to learn as much about gardening as possible.

Peanut is a CAN DO person and enjoys challenges. Her positive energy is contagious, and she is always ready to step in and lend a hand. She is a natural leader, very organized and works well in a group. She also has a twinkle in her eye and is a lot of fun! We highly recommend her for membership in Tuckahoe Garden Club.
