– Please describe why you believe this candidate will make a good member for our club.

I am thrilled to propose Mary Mason Foukal for the TGC! Mary Mason is Pattie Williams' daughter and first cousin to my husband Tim. Mary Mason has several other family members that are members of our club, and has learned from this talented group the joy of gardening and floral arranging. She looks forward to using that abundant knowledge to contribute to TGC and the community.

I've known Mary Mason for over twenty years and can tell you that she is a hard worker and willing to give of her time. She will make the TGC proud!

Mary Mason grew up in Richmond and moved back here from Charlottesville over a year ago with her husband Andrew and their three precious boys. Two of her boys are attending St. Christopher's, so she will have the time to put into the garden club.

She began her career at Monticello after graduation from the University of Virginia, then earned a masters in History and Museum Studies at Boston University. While at Monticello, Mary Mason was a Curatorial Assistant working to restore and interpret various spaces including the dairy and stables. She also worked on exhibitions related to slavery, then helped create an app which is now used by visitors to Monticello. Additionally, she worked on numerous fundraisers for Monticello. She currently serves on the National Alumni Board at St. Catherine's and the Junior Board of Sheltering Arms Hospital.

I hope you will join me in voting for this lovely and talented legacy! Christina
