– Please describe why you believe this candidate will make a good member for our club.

Frances is the daughter of our beloved Irene Owen. In a sense, Frances has been a member of our garden club vicariously through her mother. She has always been curious about what we are learning and I know her mother shared all her gardening and TGC knowledge with her. She is fully versed in what it means to be an active member of our club. She is a beautiful gardener, cultivates a vegetable garden every year and loves to flower arrange. She is a highly organized, a hard worker and would be a valuable asset to any committee in which she is placed. It would be incredibly meaningful to Frances to follow in her mother's footsteps. I know Irene will be smiling down on us knowing her daughter is a TGC member.
