– Please describe why you believe this candidate will make a good member for our club.

Eliza is a creative, kind and energetic person who would be an excellent addition to the Tuckahoe Garden Club. She is passionate about nature, conservation, animals (especially dogs!) and flowers. Eliza is also determined to hone her skills as a gardener and would no doubt benefit from and be exceptionally appreciative of all she would learn from TGC members, and GCV and GCA programs. In addition to her interest, and just as importantly, Eliza has the time to dedicate to the club. She was raised in Richmond and has called it home as an adult for 18 years. Eliza, her husband and their two children enjoy the outdoors, love spending time on the Rappahannock River and have a true appreciation for Virginia and an interest to preserve all it has to offer. Without a doubt, Eliza would be a dedicated and loyal member of the Tuckahoe Garden Club and a fantastic addition to the membership.
