– Please describe why you believe this candidate will make a good member for our club.	Jennifer is a gardener who likes getting her hands in the dirt! She is often found pulling weeds and cutting back her plant materials in her free time and isn't afraid to kill a cottonmouth or two if they are in her way. She has personally overseen the landscaping of her property, on Clovelly Road, at the back of Windsor Farms, and has turned the three lot woodland property into beautifully terraced gardens, that always have something spectacular growing in them all year round. Cocktail platters, floral bouquets or gifts given to friends or strangers, often arrive with a small posie of herbs and flowers from her garden tied to the front, or creatively placed. She just won second place and the 'Most Creative' award in the GCV Symposium Flower Show with her wearable art bowtie; also won a second place in the 'Airmail' class; and, won a first place and the 'Tri Color' award with Peyton Wells in the 'Shaken Not Stirred' class. She won a first place and the 'Most Creative' award in the Gloucester Daffodil Show in 2018, in an illuminary class, and has taken great interest in visiting the Memphis sanctioned and Philadelphia non-sanctioned GCA major flower shows over the years. She has Co-Chaired the Lewis Ginter Botanical Gardens 'Splendor Under Glass' Gala twice, creating each time floral wonderlands that dazzled the guests. She is a whiz at fundraising, an eloquent writer, has honed her social media, marketing and computer skills with her business 'Great Estates, LLC.' She has successfully grown her estate business in the greater Richmond area and beyond, [Charlottesville, the Eastern Shore Maryland]. She is a creative with a lot of energy and would be an asset to our membership!
