– Please describe why you believe this candidate will make a good member for our club.
Lizzie would be a great addition to the board for her talents in design, spirit, drive, creativity and humor. She has successfully run her own interior design firm while raising her three beautiful daughters. Her way with people is kind, honest and endearing. She is one of those people you will immediately fall in love with.

By being the owner and designer of Lizzie Cox Interior, she has time to make her own schedule which will leave free time for the club. She would love to learn more about arranging, horticulture and the environment from all the fabulous ladies in our club. She is up for any task and will do it wholeheartedly.

I have had the pleasure of getting to know Lizzie over the past 10 years by doing junior board work with her. She Co-chaired the Rock N' Heal for World Pediatric Project. She is also a stylist in Southern Living magazine.

I know she will make a great garden club member and we should grab her before another club does!

Thanks for your consideration,
Charlotte
