Please describe below or attach another page with additional information as to why you believe this candidate would be a good member of our club (suggested limit, 250 words).

Liz would be a wonderful addition to Tuckahoe Garden Club. Liz grew up on Oak Lane where her mother, Conway, had a beautiful garden. Liz has a pretty garden that she inherited when she moved to Kensington Avenue and she enjoys rearranging border plantings, growing herbs and has planted trees. She has a keen interest in learning new things - she is truly a "lifetime learner!" She would welcome the opportunity to learn about sustainable gardening as environmental stewardship is important to her.

Liz has enjoyed assisting her sister-in-law Katie with her arrangement for the Dilly Show in the past few years and has helped her with other GCV shows. She is very artistic and she has a natural talent for design. Liz has a great eye and can beautifully use flowers to complement her surroundings in her home.

Liz works in Development at St. Catherine's but has some flexibility in her schedule. She has a gentle, cheerful manner that makes others love being with her. She is very capable and works well in a group, and she is
(see second sheet)

very dependable! She is someone who gives more than she receives. Like her cousin Martha Moore, Liz is generous with her time and talents!

Her brother, Ralph Harvard, is a successful interior designer who instilled in her a love of antiques and beautiful spaces. Liz is interested in Historic Preservation also.

Liz would be a wonderful member and it would be a joy to have her in our club.
