– Please describe why you believe this candidate will make a good member for our club.	Tracy Marcus would be a tremendous asset to Tuckahoe Garden Club, just the best addition! I have known Tracy since 1994, and consider her one of my closest friends, a true soul sister, and I have been waiting for the opportunity to propose her as a new member of our garden club. We worked together as partners when we were at Signet Bank, First Union, DeutscheBank Alex Brown and Morgan Keegan. I am godmother to her youngest daughter Bridget. If you look at my phone she is one of my “favorites”. She is a true lover of flowers and gardens. I believe it was through her I first learned of the beauty of peonies, and because of her I discovered my first Mary Oliver poem, called Peonies. Tracy has a beautiful, feminine heart, warm like the sunshine - which she shines on you with genuine interest. She will be curious about what we are learning and she will seek to apply it in her own home. She is helpful and real. Now that her children are soon to all be in college it is a perfect time to welcome Tracy to be a member of Tuckahoe Garden Club. Her time working at Woodside Farm was inspirational to me and would be to us all. On my birthday that summer she made a meal from food grown on the farm and served it al fresco! Tracy would add a fresh dose of creativity to our meeting spreads - plus there is her experience baking wood-fired pizzas at Billy Pie. Oooh, I am sensing a delicious TGC meeting! Tracy simply brings a beauty and a breath of fresh air to all. Please say yes to Tracy Marcus!
