Please describe below or attach another page with additional information as to why you believe this candidate would be a good member of our club (suggested limit, 250 words).

It is my great pleasure to nominate Kellie Hilb for membership in Tuckahoe Garden Club. Kellie is a positive, energetic person who I have known for two decades. I first met her at Collegiate School where our children were enrolled. Later in life we have both served on The Children's Hospital of Richmond Senior Board where we were co-chairs for Words and Wisdom, an annual fundraising event. Kellie is also very active in The Lighthouse RVA and Hope Church. Last year her home in Lower Tuckahoe was open for Garden Week. She was easy to work with and so positive and helpful. I was one of the flower arrangers and she was welcoming and enthusiastic.

Kellie loves to garden and also keeps chickens. Her yard has a large vegetable garden and many beautiful flowers and trees. She is very artistic and has a background in design and decorating. A perfect garden club member!

I feel that she would be an asset to our club and a contributing member. Her friendly, positive attitude would be a wonderful addition to our fun, talented group of women.

Respectfully submitted,

Patricia Hunter
